NOTICE OF EXECUTIVE COMMITTEE DECISION

FLORIDA COASTAL SCHOOL OF LAW

Teach-Out Plan

June 2021

---

This notice is being issued pursuant to Rule 51 of the ABA Rules of Procedure for Approval of Law Schools.

At a meeting on June 1, 2021, the Executive Committee of the Council of the Section of Legal Education and Admissions to the Bar of the American Bar Association (the “Executive Committee”) considered the Teach-Out Plan submitted by the Florida Coastal School of Law (the “Law School”). After careful review of the Law School’s submission, the Executive Committee approved the revised teach-out plan filed on May 28, 2021.

The Law School’s accreditation will continue until July 1, 2023, for the limited purpose of allowing the Law School to receive credits from currently enrolled students earned as transient students at other ABA-approved law schools and to issue the Law School’s J.D. degree to such students who meet the Law School’s graduation requirements. The Law School shall not admit any students. The Law School will not offer any credit-bearing courses beyond the summer 2021 term.

The Council retains authority to remove the Law School’s accreditation earlier than July 1, 2023, if the Law School’s state license to issue a J.D. degree is withdrawn or terminated, or if the Law School fails to uphold any of the obligations it agrees to undertake in the May 28 Teach-Out Plan.

Questions pertaining to the teach-out plan should be directed to the Law School. In accordance with the Rules of Procedure governing confidentiality, the Office of the Section of Legal Education and Admissions to the Bar will not disclose the details of the teach-out plan to the public.
